

Stone Oak Business Association

“Building Relationships, Growing Businesses.”

WHO WE ARE

Chartered in 2001, the Stone Oak Business Association (SOBA) is a thriving network of business professionals dedicated to promoting the business interests of its members and member organizations in the Stone Oak and surrounding area. Our organization is committed to providing a structured support system in which to network, exchange ideas and become more educated and involved on issues which impact their business, thus enabling businesses to grow and develop.

WHAT WE DO

SOBA serves as an advocate and a resource for businesses. Our innovative program and services give our members the ability to network with other like-minded individuals, and grants them the opportunity to further develop their professional skills in a social setting. Members have access to resources that are versatile and powerful business tools to help today's businesses grow and succeed. Working with you, we can understand the needs of your business and demonstrate the wide variety of ways our association programs and services can help you achieve your goals.

BECOME A MEMBER

Membership in the organization offers a wide array of engagement opportunities and benefits. With our new levels of membership, we take a customized approach to prospective members. Whether you are joining for the insightful programming, the executive networking or the policy and advocacy for small business, we are confident that various levels of membership will help you achieve your business development goals. Below you will find an overview of each level to help you discover the best membership package for your business.
